

REAL ESTATE.

NEW-YORK, Tuesday, Sept. 15, 1868.

For the first time during more than two months, the Exchange Salesroom was partially filled by an audience, many of whom were buyers. The real estate "Ring" was out in force, and the various members spent an hour in discussing the prospects of the season, and talking over the property sold, to day, and what the price indicated. Many spoke of the trade at private sales as looking up, and predicted lively times during the fall. A number of strangers from Paterson, N. J., and vicinity, were at the Exchange to-day, drawn thither by the announcement made by Mr. Johnson & Miller, that they would be holding lots in the City of Paterson, as soon as may be desired. Inquiry of THOS. C. SMITH, No. 15 Park-place.

The following are those lots which will be offered for sale at the Exchange to-morrow:
